

ANNOUNCEMENT

Eighth International Heat Transfer Conference

17–22 August 1986, Fairmont Hotel, San Francisco, U.S.A.

Call for film and video materials

A FILM and Video Forum will be held in the San Francisco Fairmont Hotel during the Conference. This forum will provide authors with the opportunity to present work visualizing heat transfer and fluid mechanics phenomena which would be of interest to the Conference participants. Video materials should be in the VHS format.

Requests for presentation of films/video material should be done as early as possible but at least by 31 January 1985. A 100-word abstract describing the film/video material should be sent to either:

Professor Lawrence A. Kennedy
Department of Mechanical Engineering
The Ohio State University
Columbus, OH 43210
U.S.A.

or

Professor John C. Chen
Department of Chemical Engineering,
Lehigh University,
Bethlehem, PA 18015
U.S.A.

Instructions for presenting the visualization film/video will be sent upon acceptance of the material.

Open Poster Session—call for papers

An Open Poster Session will be held in the San Francisco Fairmont Hotel on Thursday, 21 August 1986 from 1–5:30 p.m. This session will provide a forum for authors to present recent work that they wish to put before the attendees, but which was not complete in time to meet submission deadlines for the standard sessions. Presentations must meet the regular requirements for poster sessions except for deadlines, and work presented at the Open Poster Session will *not* be published in the proceedings.

Requests for space, if available, will be honored up to 19 August 1986. However, given the limited space authors are urged to request space as early as possible. Abstracts received by 1 June 1986, will be included in the Open Poster Session program to be available at meeting registration. A 100-word abstract of the proposed presentation should accompany the request, and should be forwarded to:

Dr John R. Howell,
Department of Mechanical Engineering,
The University of Texas at Austin,
Austin, TX 78712,
U.S.A.

Instructions on poster preparation will be sent on receipt and acceptance of the abstract.
