Erratum

Erratum to “Systematic comparison of the benzynes, pyridynes, and pyridynium cations and characterization of the Bergman cyclization of Z-but-1-3-yn-1-yl isonitrile to the *meta* diradical 2,4-pyridyne,” by Stefan L. Debbert and Christopher J. Cramer (Int. J. Mass Spectrom. 201 (2000) 1-15)

In Figure 1 (page 3), the second and third lines of geometric information should be interchanged for each structure.
