The 4th Pharmaceutical Technology Conference

This conference will take place on *April 10–12, 1984* at the *Caledonian Hotel, Edinburgh, Scotland, U.K.*

A large number of original research and general industrial pharmaceutical papers will be presented, the aim being to review all modern aspects of pharmaceutical technology. A number of plenary lectures by acknowledged international experts will be delivered at the conference and a full social programme has been arranged.

The closing date for summaries is November 1st, 1983, and for final drafts by February 1st, 1984. Summaries should not be longer than 1500 words and no special format is required.

All enquiries should be addressed to:
