

Corrigendum

Corrigendum to “Tensorial form definitions of
discrete-mechanical quantities for granular
assemblies” [International Journal of Solids and Structures
41 (2004) 5775–5791]

M. Satake *

Department of Civil Engineering, Tohoku University, 201, 1-5-1 Yagiyama-Honcho, Taihaku-ku, Sendai 9820801, Japan

On page 5780, in the 5th line from the bottom, “ $\varphi, \chi, w, \mathbf{u}$ ” should read “ $\varphi, \chi, w, \mathbf{u}$.”

On page 5782 in Table 5

$$\begin{pmatrix} \hat{\nabla} & 0 \\ -I & \nabla \end{pmatrix} \text{ should be } \begin{pmatrix} \hat{\nabla} & 0 \\ -I & \hat{\nabla} \end{pmatrix}$$

On page 5783, the 14th and 15th lines, “When D_{PC} is -1 , contact force $\mathbf{f}_C$ acts upon particle P ; when D_{PC} is -1 , $-\mathbf{f}_C$ acts upon particle P ”, should read “When D_{PC} is 1 , contact force $\mathbf{f}_C$ acts upon particle P ; when D_{PC} is -1 , $-\mathbf{f}_C$ acts upon particle P ”.
