Page 3606. Under Discussion, lines 24 and 25, the reference to Table 2 is incorrect; Table 1 is the correct reference. The corrected sentence is as follows: The EC₅₀ value of 6 nM and the 103% efficacy of **2** (Table 1), in comparison to that of 9-*c*-RA, indicate that **2** may be useful as a pharmaceutical agent for disorders of the skin.
