

G. K. Surya Prakash,* Mihirbaran Mandal, Stefan Schweizer, Nicos A. Petasis,* and George A. Olah*.
Stereoselective Synthesis of *anti*- α -(Difluoromethyl)- β -amino Alcohols by Boronic Acid Based Three-Component Condensation.
Stereoselective Preparation of (2*S*,3*R*)-Difluorothreonine

Page 3719. Pd(Ph₃)₄ inadvertently appears as D(Ph₃)₄ in Scheme 3.

Page 3720. Some of the compounds are numbered incorrectly in Table 1. The correct numbering is shown below.

Page 3721. The paragraph headings for the preparation of compounds **1**, **7**, and **8** were written incorrectly. The corrected tiles are as follows: **Preparation of (*R*)-(+)-1,1-Difluoro-4-phenyl-3-butyn-2-ol (7)**, **Preparation of (*R*)-(+)-1,1-Difluoro-4-phenyl-3-buten-2-ol (8)**, and **Preparation of Difluorolactaldehyde (1)**.
