

Correction to Straightforward Access to Enantioenriched 2-Allylpiperidine: Application to the Synthesis of Alkaloids

Irene Bosque, José C. González-Gómez,* Francisco Foubelo,* and Miguel Yus

J. Org. Chem. **2012**, 77, 780–784. DOI:10.1021/jo202211u.

Page 780. There is a graphical error in Scheme 1. We have used 5-bromopentanal in our preparation of 2-allylpiperidine derivatives instead of 4-bromobutanal. Consequently, Scheme 1 should be as follows:

Scheme 1. Prior Syntheses of Enantioenriched 2-Allylpiperidine
