

Announcement

Sixth Sensing the Atmosphere, Da Balaia, Portugal, 9–14 June 1996

The CEC are sponsoring a EuroConference on the application of novel analytical techniques to field measurements in the atmosphere. A limited number of Bursaries are available for “Young Researchers” (age limit 32 and in possession of a Ph.D. or equivalent). There are also places available for full fee-payers (£475 inclusive of full board and registration).

Enquiries should be sent to John Sodeau (e-mail: J.Sodeau@uea.ac.uk or fax: +44 1603 259855).
