

CORRECTIONS

Jeffery L. White,* Tim D. Shaffer, Charles J. Ruff, and John P. Cross: Incorporation of Isoprene in Isobutylene/Isoprene Copolymers: NMR Identification of Branching in Butyl Rubber. Volume 28, Number 9, April 24, 1995, pp 3290–3300.

Figure 2 appeared with two important cross-peaks missing that were referred to in both the figure caption and the text. These cross peaks were arbitrarily removed during processing of galley proof corrections. The corrected Figure 2 with the necessary cross-peaks is provided below.

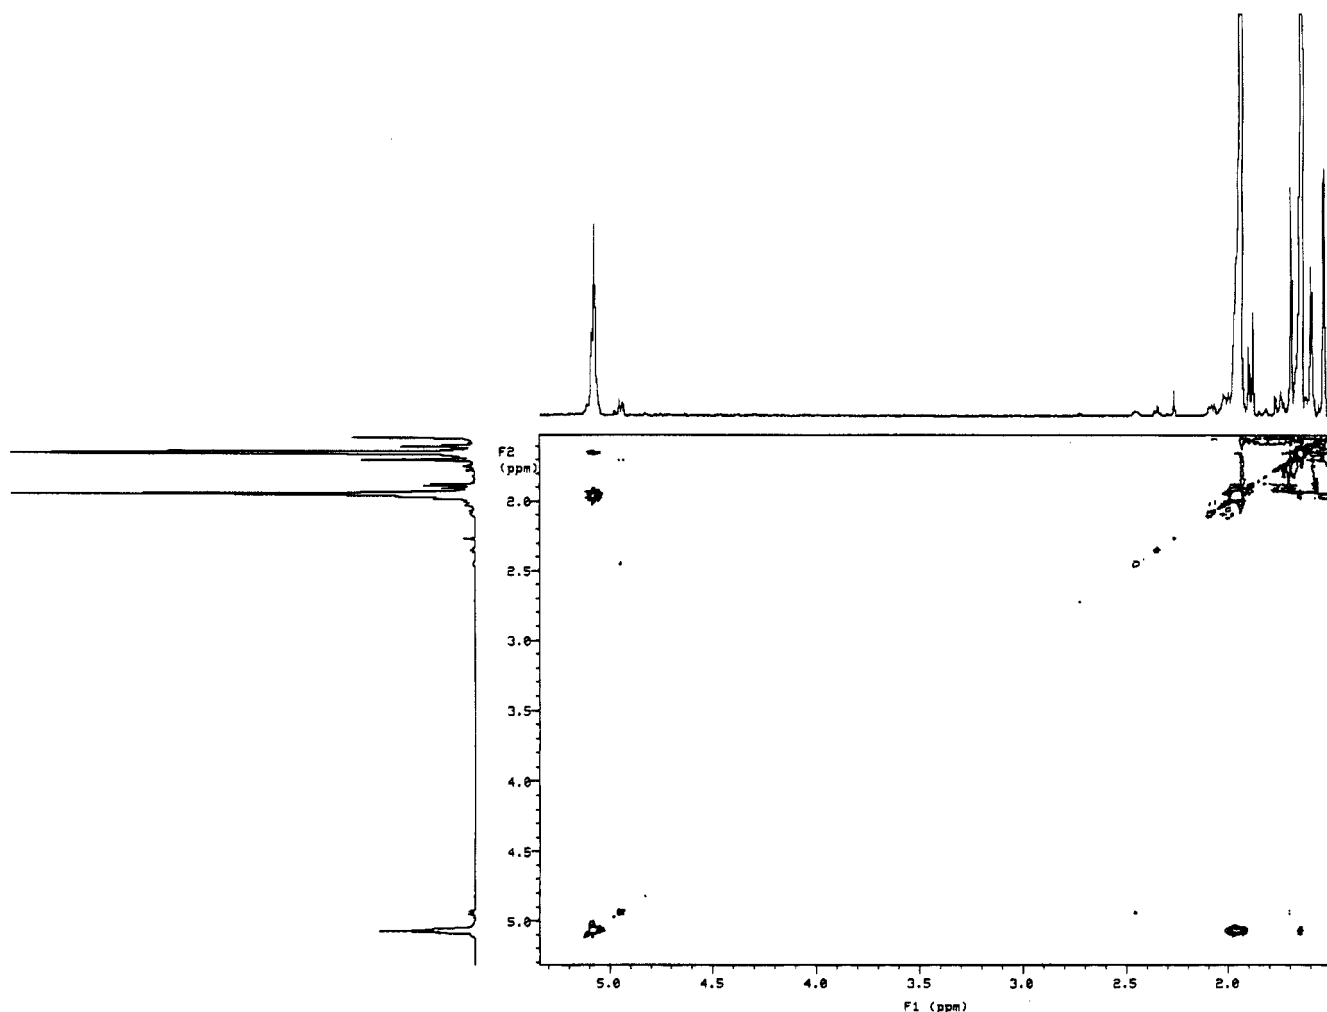

Figure 2.
