C. P. Reghunadhan Nair,* P. Chaumont,* and D. Colombani: Kinetic Model for Free-Radical Addition–Fragmentation Associated with Initiation and Primary Radical Termination. Volume 28, Number 9, April 24, 1995, pp 3192–3196.

The correct address for C. P. Reghunadhan Nair is as follows:

Polymers and Special Chemicals Division
Vikram Sarabhai Space Centre
Trivandrum 695022
India

MA946289K

C. L. Jackson,* K. A. Barnes, F. A. Morrison, J. W. Mays, A. I. Nakatani, and C. C. Han: A Shear-Induced Martensitic-like Transformation in a Block Copolymer Melt. Volume 28, Number 3, January 30, 1995, pp 713–722.

The figure captions in Figures 7 and 9 state incorrectly "...parallel view (xz plane...)". The corrected caption should read "...parallel view (xy plane...)". In addition, the orientation of Figure 11 is such that the z axis is vertical and the y axis is horizontal. This is clearly marked in the companion of Figure 13 and discussed in the text, but since it is schematically depicted at 90° to Figure 11, some confusion is possible. We are grateful to Professor Steven Hudson for bringing these points to our attention.
