

## CORRECTIONS

**W. Memeger, Jr.,\* G. C. Campbell, and F. Davidson:** Poly(aminophosphazene)s and Protophosphatranes Mimic Classical Strong Anionic Base Catalysts in the Anionic Ring-Opening Polymerization of Lactams. Vol. 29, Number 20, September 23, 1996, pp 6475–6480.

In the title the word “Protophosphatranes” should be “Prophosphatranes”. This is also the case on the following pages:

- Page 6475, Abstract, line 3
- Page 6475, paragraph 2, line 3
- Page 6476, lines 46 and 53
- Page 6476, line 2 of the Conclusions
