

R. N. Shroff* and H. Mavridis: Long-Chain Branching Index for Essentially Linear Polyethylenes. Volume 32, Number 25, December 14, pp 8454–8464.

The correct address of the authors is as follows: Equistar Technology Center, 11530 Northlake Drive, Cincinnati, Ohio 45249.

The correct caption to Figure 12 is the following:

Figure 12. Weighted viscoelastic relaxation spectrum ($\tau H(\tau)/\eta_0$) for Equistar 6008 and MX6009 derived from dynamic frequency sweep data (G' , G''). Equistar 6008 shows a broader relaxation spectrum.
