

CORRECTIONS

Dali Yang, Guido Zuccarello, and Benjamin R. Mattes*: Physical Stabilization or Chemical Degradation of Concentrated Solutions of Polyaniline Emeraldine Base Containing Secondary Amine Additives. Volume 35, Number 13, June 18, 2002, pp 5304–5313.

Page 5305. Figure 1 was incorrect. The correct version is the following:

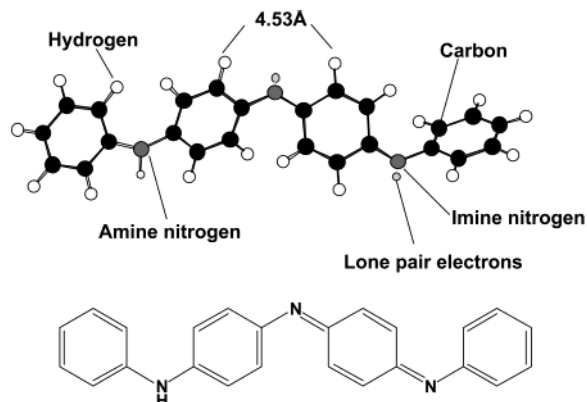

Figure 1. Computer model of the EB tetramer showing the two ortho hydrogens around the imine (above) and the structure of the aniline EB (with the terminal amines removed) (below).

Page 5313. Reference 24 was published without the journal title. The complete reference is the following.

(24) Angelopoulos, M.; Liao, Y.-H.; Furman, B.; Graham, T. *SPIE* **1995**, 2528, 230–240.
