

## CORRECTIONS

**Mir Mukkaram Ali and Harald D. H. Stöver\*:**  
Well-Defined Amphiphilic Thermosensitive Copolymers  
Based on Poly(ethylene glycol monomethacrylate) and  
Methyl Methacrylate Prepared by Atom Transfer Radi-  
cal Polymerization. Volume 37, Number 14, July 13,  
2004, pp 5219–5227.

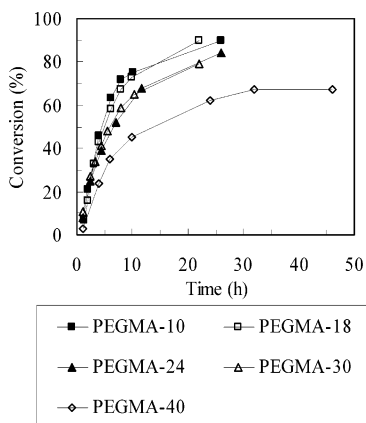

These corrections do not change the interpretation of the results.

1. In Figure 6 caption, “[TSC]<sub>0</sub>: [Cu(dNBpy)<sub>2</sub>Br]<sub>0</sub>: [PEGMA] = 1:1:30” should read “[TSC]<sub>0</sub>: [Cu(dNBpy)<sub>2</sub>Br]<sub>0</sub>: [MMA]: [PEGMA] = 1:1:60:14”.

2. In Figure 7 caption, “Conditions as in Figure 7” should instead read “Conditions as in Figure 6”.

3. In Figure 9 caption, “using conditions of Figure 9” should instead read “using conditions as in Figure 8”.

4. Also, the graph in Figure 9 should be replaced by the following graph:

**Figure 9.**

5. In Figure 10 and Figure 11 captions, “using conditions of Figure 9” should read “using conditions as in Figure 8”.
