

CORRECTIONS

Heiko Zettl, Wolfgang Häfner, Alexander Böker, Holger Schmalz, Michael Lanzendörfer, Axel H. E. Müller, and Georg Krausch: Fluorescence Correlation Spectroscopy (FCS) of Single Dye-Labeled Polymers in Organic Solvents. Volume 37, Number 5, April 2, 2004, 1917–1920.

Page 1919. In the published paper, a wrong reference was used for the molecular weight-diffusion coefficient relationship. The correct relationship is $D = 2.15 \times 10^{-4} \times M_w^{-0.53}$.¹ This yields to a waist radius ω in toluene of $\omega_{\text{toluene}} = 277 \text{ nm}$.
