By a decision of the *Microbiology* Editorial Board, the prizes in the annual contest were awarded to the authors of the following papers published in 2010.

EXPERIMENTAL ARTICLES

1. Bryantseva, I.A., Tourova, T.P., Kovaleva, O.L., Kostrikina N.A., and Gorlenko, V.M., *Ectothiorhodospira magna* sp. nov., a New Large Alkaliphilic Purple Sulfur Bacterium, no. 6, pp. 780–790.
2. Kalyuzhnyi, S.V., Shestakova H.M., Tourova T.P., Poltarau A.B., Gladchenko, M.A., Trukhina, A.I., and Nazina, T.N., Phylogenetic Analysis of a Microbial Community Involved in Anaerobic Oxidation of Ammonium Nitrogen, no. 2, pp. 237–246.

3. Nazina, T.N., Safonov, A.V., Kosareva, I.M., Ivoilov, V.S., Poltarau, A.B., and Ershov, B.G., Microbiological Processes in the Severnyi Deep Disposal Site for Liquid Radioactive Wastes, no. 4, pp. 528–537.

REVIEW PAPERS

1. Plakunov, V.K., Strelkova, E.A., and Zhurina, M.V., Persistence and Adaptive Mutagenesis in Biofilms, no. 4, pp. 424–434.

Applications for the contest of the papers published in 2012 are to be submitted by April 1, 2012, in compliance with the contest constitution (see *Microbiology*, 1995, vol. 64, no. 4, p. 576).
