# POOLSIDE TIGER

After a hard night's swinging at a local pub as a topless dancer, Paula Kent likes nothing better than a plunge in her pool.

Because Paula deliberately chose a dwelling that will afford her maximum privacy to indulge her every whim, she often goes in wearing only her birthdaysuit.

Although she would prefer to have her own private lifeguard -- she's settled for a lifesaver. "Often they're safer than the real kind."

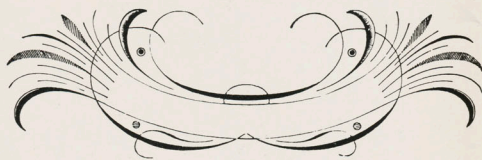

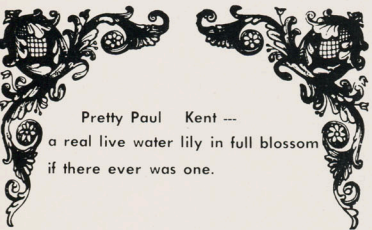

She's so hard bent on water frolics that Paula wouldn't dream of getting serious about a guy if he couldn't swim. A fact that perhaps explains why in her neighborhood there are more men brushing up on their strokes than anywhere else in the country.

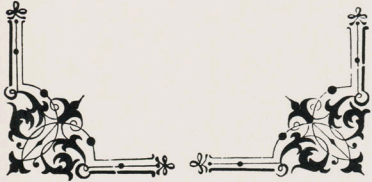

Pretty Paul Kent ---  
a real live water lily in full blossom  
if there ever was one.

# HAROLD'S HAREM DREAM

Asleep one sultry summer night after a hard day's work in a pretzel factory, the models in Harold Gayblade's favorite and well handled men's magazine leaped from the pages and one by one proceeded to amuse him.

One dreamboat took a birthdaysuit swim in his tub. Another did sultry cartwheels, tumblers and backbends in the living room. Each in her own way tried to outdo the others for Harold's selection.

One of the more delicious phases of the dream revolved around a hair pulling and clothes ripping tussle between an Indian maid, a topless waitress and a Hollywood stripper over him . . .

Harold's harem dream is the type of dream that every virile man probably has some time or other in his life -- and, do we have to add, hates to wake up to . . . . .

# A Dilly From Philly

The City of Brotherly Love has never produced a more lovable doll than Billie Tyler -- a real dilly who's determined to see her name high in show-biz lights . . .

You'll soon have a chance to see her in action yourself. She's got a meaty role in a new film. We don't know the title but can you forget her?

Billie's single and intends to stay that way until her career is thoroughly launched. "For new romance, yes --- but marriage, definitely no."

With a song in her heart,  
preferably rock n'roll, a  
swinging outlook on things,  
charm that oozes from her,  
talent and an insatiable lust  
for life, you can bet you'll  
be hearing about this dilly  
from Philly again and again.

# FANNY

# GET YOUR GUN

Grab that rifle off the wall, Fanny Cole! The hunting season's on and we know you love stalking big game.

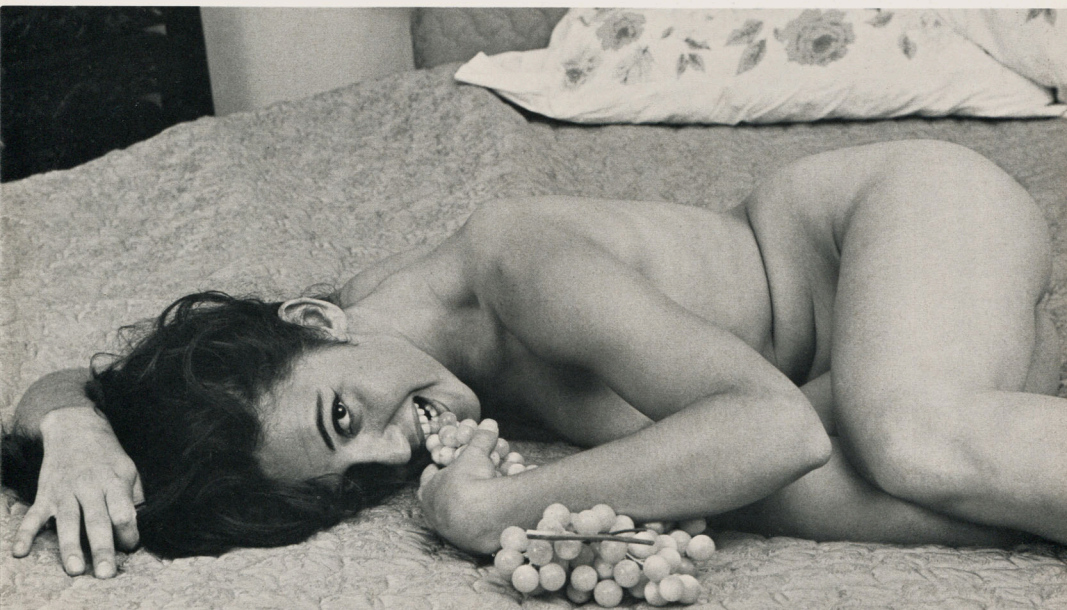

There are furry bears, big bucks, stag and lots of other lusty quarry you'd like to mount on your wall. And you won't get your share sitting at home playing with your toes.

About the only thing Fanny  
won't stoop to hunting is the  
opposite sex. "It'll be a cold  
day in hell when I have to  
catch me a tiger."

Zanny, canny, Fanny Cole --- one of the  
most hunted huntresses after big game in  
swinging Hollywood . . .

# Silkie The Stocking Sultress

Hose are getting sexier and sexier these days. At least when Silkie Jones' sculptured stems are inside a pair -- net, sheer, colored, or what have you . . . . .

We're happy to report that the Hose Society of America agrees with us. You see last year Silkie was elected Miss Stocking Sultress of 1966 . . .

Ever since Silkie ripened into full-blown womanhood at an early age her gorgeous legs have been the talk of the town. Today, in leg modelling no one can top her.

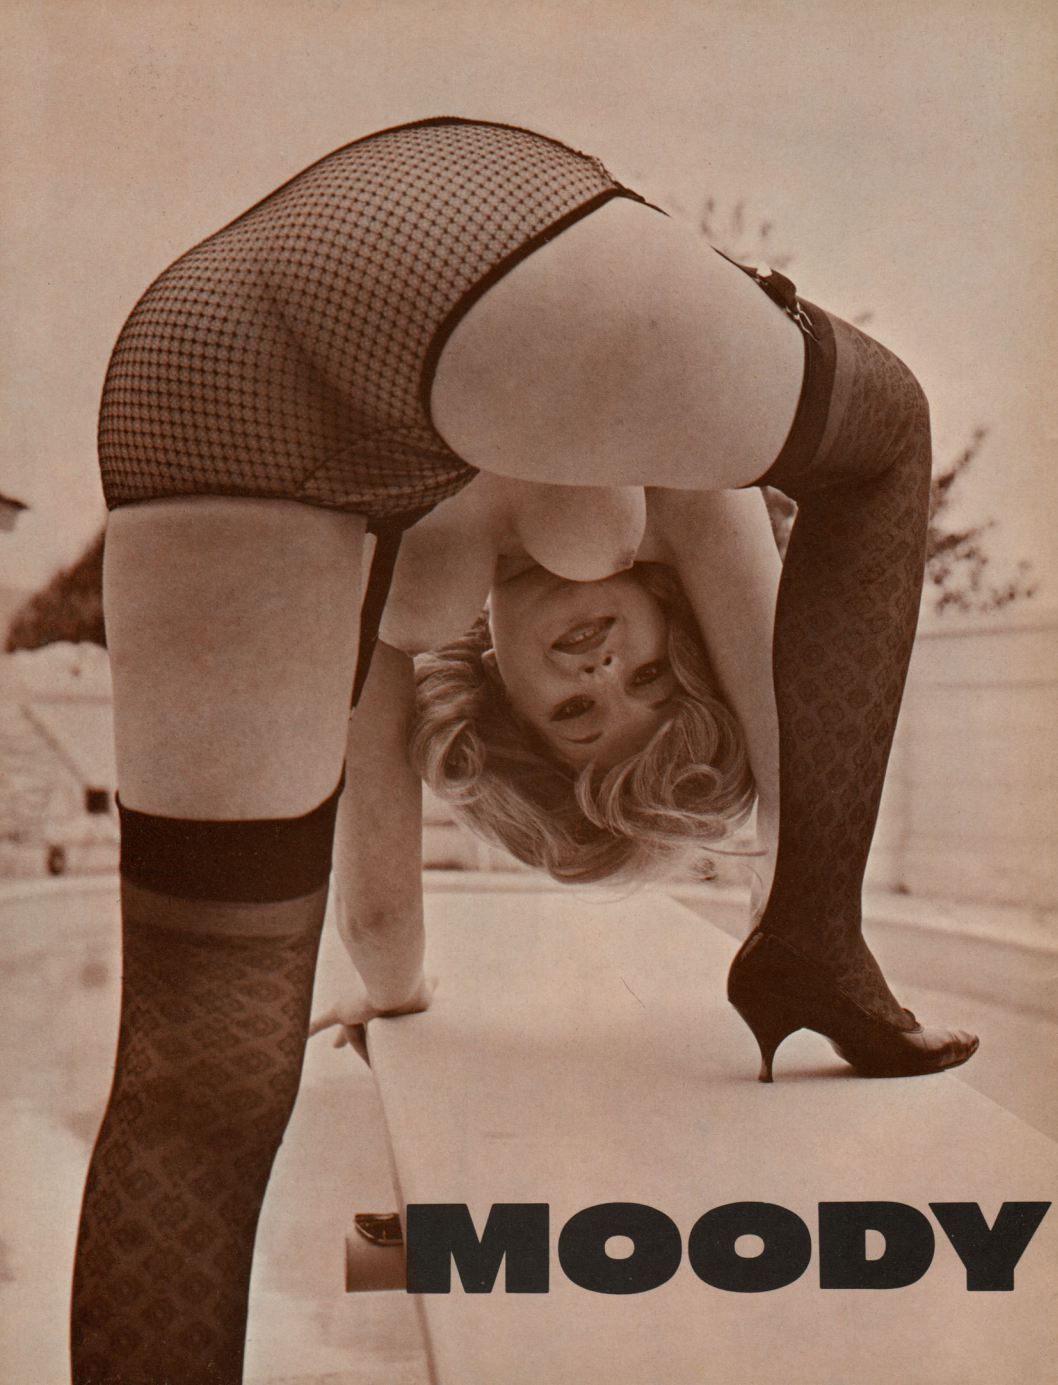

Silkie has other assets  
equally as laudable as her  
unusual legs. That's why  
to the "in-crowd" she's  
known as the young lady  
with everything just the  
way things should be.

# MOODY MONA

No prude or crude men for Mona

Latz -- "Artistry and broad-mindedness  
is what I expect to find in a man."

Raised with a silver spoon in her  
mouth, Mona's taste understandably  
leans towards the deft sort of tiger.

---

"Just because she prefers to call her  
own shots Mona is sometimes called  
moody. "Not true," says she. "I merely  
believe a gal has the right to be demanding."
