

### Erratum

In the paper by Waring and Makoff, "Breakdown of Pulse-Labeled Ribonucleic Acid and Polysomes in *Bacillus megaterium*: Actions of Streptolydigin, Echinomycin, and Triostins," Vol. 10, No. 2, March 1974, pp. 214-224, Figs. 1 and 3 were transposed. The legends are correct on the pages where they stand, but the illustration printed as Fig. 1 should appear on p. 219 and the one printed as Fig. 3 should appear on p. 217.
