

Correction to “Mechanisms of agonist-induced down-regulation of the human κ -opioid receptor: internalization is required for down-regulation”

In the above article [Li G-J, Benovic JL and Liu-Chen L-Y (2000) *Mol Pharmacol* **58**(4):795–801], the financial support footnote was incorrect. It should have read:

This work was supported by National Institutes of Health Grants DA04745 and DA11263 (to L.-Y.L.-C.) and GM44944 and GM47417 (to J.L.B.) J.L.B. is an Established Investigator of the American Heart Association.

The authors regret any confusion or inconvenience caused by this error.
