

Correction to “Conservation of Functional and Pharmacological Properties in the Distantly Related Temperature Sensors TRVP1 and TRPM8”

In the title of the above article [Weil A, Moore SE, Waite NJ, Randall A, and Gunthorpe MJ (2005) *Mol Pharmacol* **68**:518–527], because of an error during copyediting, two letters were transposed in one of the receptor names. The correct receptor name is TRPV1, not TRVP1.

The online version of the article was corrected in departure from the print version.

We regret this error and apologize for any confusion or inconvenience it may have caused.
