

# **Access Molecular Pharmacology beginning with volume 1, issue 1**

Molecular Pharmacology starting with volume 1, issue 1 is now online. All pre-1997 articles are available as PDF files. Article titles, authors, and abstracts are fully searchable.

Access to the MolPharm back issues is included with subscriptions. Nonsubscribers may access these issues using our pay-per-view system. If your institution has a print subscription to MolPharm, you should have online access as well. Ask your librarian to contact ASPET at [info@aspet.org](mailto:info@aspet.org). We'll help establish access.

ASPET membership includes online access to all five ASPET journals. We'll gladly help you activate your subscription if you haven't done so yet. Benefit from the full MolPharm archive today!

ASPET continues to make articles from 1997 onward freely available 12 months after publication, and Fast Forward articles are freely accessible upon publication.
