

ERRATUM

In the paper, B.N.M. van Berckel et al., Behavioral and Neuroendocrine Effects of the Partial NMDA Agonist D-cycloserine in Healthy Subjects, *Neuropsychopharmacology* 16:317–324, 1997, Figure 1 is incorrect. This is the corrected figure.

Figure 1. D-cycloserine plasma concentrations after oral administration of 15 mg (circles), 50 mg (triangles), and 150 mg (squares) D-cycloserine.
