

An electronic archive containing approximately 195,000 articles and 1.2 million pages of ground-breaking chemical science papers published from 1841-1996.

RSC Journals Archive

It offers:

- Rapid location of articles via full-text searching
- Reference linking in articles published after 1990
- A range of purchase options and pricing to suit individual requirements and budgets
- The flexibility of accessing archive information from your desktop
- A secure, cost-effective solution for the storage and retrieval of research journals
- Coverage from prestigious journals such as ChemComm, The Analyst, Dalton Transactions, Organic & Biomolecular Chemistry and the Journal of Materials Chemistry

'It is very exciting to be able to search the full-text of approximately 195,000 papers (from 1841-1996)...The RSC is to be commended for providing both electronic access and full-text searching of this significant historical literature.'

Dana L. Roth, Caltech, USA

ChemComm - a vibrant blend of high quality research from across the chemical sciences

ChemComm
...the perfect mix

Celebrating in 2005:

- **40 years** of successful publication
- An increase in frequency to **weekly publication** – improving print publication times even further
- An increase to **three page communications** – providing authors with more flexibility to develop their results and discussion
