PIDA-Mediated Oxidative C–C Bond Formation: Novel Synthesis of Indoles from *N*-Aryl Enamines.

Page 2417. A new citation should be added to ref 1 as follows: For a recent example of the palladium-catalyzed C–C bond formation pattern used in a similar indole synthesis, see: Wurtz, S.; Rakshit, S.; Neumann, J. J.; Droge, T.; Glorius, F. *Angew. Chem., Int. Ed.* **2008**, 47, 7230–7233.

Page 2419. The *para* Cl in the structure of product **1j** should be changed into a *para* F. The corrected structure for **1j** is shown below.
