

## Additions and Corrections

---

Volume 14, 2012

**Chao Fang, Daniel H. Paull, J. Caleb Hethcox,  
Christopher R. Shugrue, and Stephen F. Martin\***

Enantioselective Iodolactonization of Disubstituted Olefinic  
Acids Using a Bifunctional Catalyst

Page 6293. In the Acknowledgments, the authors inadvertently omitted an acknowledgment thanking the National Science Foundation for support for C.R.S. in the form of an NSF-REU grant (CHE-1003947).
