

Correction to Facile Preparation of β -Haloporphyrins as Useful Precursors of β -Substituted Porphyrins

Keisuke Fujimoto, Hideki Yorimitsu,* and Atsuhiko Osuka*

Org. Lett. **2014**, *16* (3), 972–975. DOI: 10.1021/ol4037049

Supporting Information

On pages 3 and 7 in the Supporting Information, the reaction conditions for the chlorination and iodination in the reaction schemes contained errors. Correct conditions are included in the revised Supporting Information.
