

Retraction of “Dragonbloodin A1 and A2: Flavan Trimers and Anti-inflammatory Principles from Sanguis Draconis”

Wen-Ke Du, Hsin-Yi Hung, Ping-Chung Kuo, Tsong-Long Hwang, Ler-Chun Shiu, Kom-Bei Shiu, E-Jian Lee, Shih-Huang Tai, and Tian-Shung Wu*

Supporting Information

This Letter has been retracted because misinterpretation of the X-ray crystal data resulted in reporting an incorrect structure for dragonbloodin A2 (2) and, in turn, an incorrect proposed biogenesis of the molecules. We are thus retracting the paper with the intent to perform further investigations regarding the structure of this compound, and we will report our findings in due course.
