## GENERAL INFORMATION

### Aims and Scope

Original articles, short communications and brief, selected reviews of broad interest to the organic, inorganic and biochemistry of sulfur, phosphorus, antimony, bismuth, selenium and tellurium will be considered for publication in *Phosphorus and Sulfur*. Contributions will be refereed by members of the Editorial Board and other experts in this interrelated discipline. Requirements for acceptance include originality, breadth of scope, careful documentation of experimental results, and clarity and brevity of presentation. There are no page charges for papers published in *Phosphorus and Sulfur*.

The editors and publisher strive to provide rapid publication of accepted papers. Proofs are provided within 4–6 weeks after acceptance and must be returned promptly. The journal is published bimonthly on the basis of 3 issues per volume with an increased number of volumes per year where necessary to ensure rapid publication. Papers may be submitted to either Cos Cob or Mainz.

Notes for contributors can be found at the back of the journal.

### Subscription rates

Three issues per volume: \$266.00 U.S. (including postage)

This price applies in North America only. All other countries will be invoiced at our current conversion rate. The subscription rates include a distribution charge of \$17.00 for postage and handling. Send your order to your usual supplier or direct to Gordon and Breach, Science Publishers, c/o STBS Ltd., 42 William IV Street, London WC2N 4DE, England. Journal subscriptions are sold on a volume basis only; single issues are not available separately. Claims for non-receipt of issues should be made within three months of publication of the issue. If not, they will not be honored without charge. Subscriptions are available for microform editions for current and back volumes. Please write for details.
