PREFACE

ICCOC-GTL-10 will be held in 2001 in Bordeaux with Professor Bernard Jousseume as Conference Chairman. Previous meetings were Marseille (1974), Nottingham (1977), Dortmund (1980), Montreal (1983), Padua (1986), Brussels (1989), Riga (1992), Sendai (1995), and Melbourne (1998).

I am delighted to acknowledge the untiring assistance of colleagues and students at Deakin University. Finally, I would also like to record the invaluable contributions of the Conference Secretary, Dr. Edward Tiekink (The University of Adelaide) in bringing together a pleasurable and successful ICCOC-GTL-9. I am grateful to Professor Robert R. Holmes for making possible the publication of these Proceedings.

Dainis Dakternieks
Deakin University
