## **ANNOUNCEMENT**

The Association for the Psychophysiological Study of Sleep (APSS) will hold its 17th Annual Meeting on April 27 through May 1, 1977 in Houston, Texas, U.S.A. We are an interdisciplinary society devoted to exchanging information on current research pertaining to the mechanisms, correlates and pathology of sleep-waking cycles. Correspondence and inquiries concerning this meeting should be addressed to Dr. Ismet Karacan, Executive Secretary, APSS, Veterans Administration Hospital, 2002 Holcombe Blvd., Houston, Texas 77211; telephone 713/747-3000 Ext. 3145.
