### “NOTES ON MINOR LATIN POETRY”

E. COURTNEY

THE CONJECTURE *sternere vel dura membra super silice* at *Catalepton* 9.45, put forward in *Phoenix* 32 (1978) 310, had previously been proposed in the same journal (21 [1967] 53). It might also be noted that *ero* at *Dirae* 102 (*ibid.* 308) belongs to E. H. Alton, *Hermathena* 43 (1921/2).
