

ANNOUNCEMENT

PHYTOCHEMISTRY EDITORIAL BOARD

The Editorial Board of the journal has recently been re-constituted and the present Board is shown below. We take this opportunity to thank the retiring members for their support and their many years of service and we welcome the new members.

Finally, we would remind authors, especially those outside the United Kingdom, that papers may be submitted to any member of the Editorial Board for review and onward transmission to the Editorial Office.

J. B. HARBORNE
T. SWAIN

EDITORIAL BOARD—1976
