

## ANNOUNCEMENTS

### PHYTOCHEMICAL SOCIETY OF EUROPE

The winner of the Phytochemical Society Tate and Lyle Award for 1981 is

PROFESSOR K. HOSTETTMAN

University of Lausanne, Switzerland, who has been honoured for his contributions to our knowledge of the separation and isolation of secondary plant products.

At the April 1981 Annual General Meeting held at Thwaite Hall, University of Hull, new elections were made to the Committee of the Society. The current Committee is as follows:

Chairman:	C. F. VAN SUMERE (Ghent)
Vice chairmen:	E. G. BROWN (Swansea), D. M. X. DONNELLY (Dublin)
Honorary Secretaries:	J. D. PHILLIPSON (London), D. R. THRELFALL (Hull)
Membership Secretary:	L. E. FELLOWS (Kew)
Treasurer:	T. A. REYNOLDS (Kew)
Representatives for Continental Europe:	A. BOUDET (Toulouse), M. H. ZENK (Munich), H. GEIGER* (Stuttgart)
Committee Members:	J. GALLON (Swansea), P. J. LEA* (Rothamsted), S. PENDLINGTON (Unilever), G. STEWART (London) P. G. WATERMAN (Strathclyde), C. A. WILLIAMS (Reading)
Auditors:	D. BOOTHBY (London), J. VAUGHAN (London)
*co-opted	
Future meetings include:	

### SEED PROTEINS

Arranged in association with CNRS, INRA and APCE. To be held at Versailles, France, 22-24 September 1981. For further details contact Dr. J. Daussant, Laboratoire de Physiologie des Organes Végétaux, 4 Ter Route des Gardes, CNRS, 92190 Meudon, France; or Professor J. Miosse, Laboratoire d'Etude des Protéines, INRA, Versailles, France.

### PHOTOSYNTHETIC C, N AND S METABOLISM

In association with the S.E.B. meeting. To be held at Leicester, 5-7 January 1982. For further details contact Dr. P. J. Lea (programme organiser), Rothamsted.

### CHEMISTRY AND CHEMICAL TAXONOMY OF THE RUTALES

Strathclyde University, 5-7 April 1982. For further details contact Dr. P. G. Waterman (programme organiser), Department of Pharmaceutical Chemistry, 204 George Street, Glasgow, G1 1XW.

### PHYTOCHEMISTRY OF THE SEEDLING

In association with the Phytochemical Society of North America. To be held at Ottawa, Canada, during August 1982. For further details contact one of the honorary secretaries of the PSE.

### BIOCHEMISTRY AND PHOTOBIOLOGY OF PLANT PIGMENTS

In association with the British Photobiology Society. To be held at Reading, 14-16 December 1982. For further details contact Professor J. B. Harborne or Dr. C. E. Johnson, Department of Botany, Whiteknights, University of Reading, Reading RG6 2AS.

Membership of the Phytochemical Society of Europe is open to all interested, on application to the Membership Secretary (Dr. Linda Fellows, Jodrell Laboratory, Royal Botanic Gardens, Kew, Richmond, Surrey, U.K.). For all other matters regarding the Society, correspondence should be directed to one of the Hon. Secretaries (Dr. J. D. Phillipson, Department of Pharmacognosy, The School of Pharmacy, 29-39 Brunswick Square, London, WC1N 1AX, U.K.; Dr. D. R. Threlfall, Department of Plant Biology, University of Hull, Hull, HU6 7RX, U.K.).

Nominations for the Tate and Lyle Award for 1982 are invited and must be received by the Secretaries by 30 September 1981.

## INTERNATIONAL CONFERENCE ON PEROXISOMES AND GLYOXYSOMES

(The New York Academy of Sciences)

The Barbizon Plaza Hotel, New York City, 9–11 September 1981. The conference is co-chaired by Paul B. Lazarow (The Rockefeller University, New York) and Helmut Kindl (Philipps-Universität Marburg, FRG). The conference will feature multidisciplinary invited lectures and poster sessions devoted to the structure, function and biogenesis of these unique organelles, as well as the effects of hypolipidemic drugs on them.

For further details contact Prof. Dr. H. Kindl, Philipps-Universität Marburg, Fachbereich Chemie, Hans-Meerwein-Str., D-3550 Marburg, West Germany.

## INTERNATIONAL BIOFLAVONOID SYMPOSIUM

(VIth Hungarian Bioflavonoid Symposium)

The above symposium will be held at Munich (FRG) on 6–9 September 1981. The Symposium will deal with recent results in the structure elucidation, synthesis, analysis, biochemistry, physiology and pharmacology of flavonoid compounds and their use in therapy. The official languages are English and German.

For further details contact: Dr. Peter Wolff, Institut für Pharmazeutische Biologie, Karlstrasse 29, D-8000 München 2, FRG.
