The authors regret that there are two errors in this article as follows:

1. Experimental section, Part 3.3.3. should read:

EIMS m/z (rel.int.): 248[M]⁺(9.5), 230[M-H₂O]⁺(21),

230[M-H₂O]⁺(21), 212[M-H₂O]⁺(11).

2. The structure of compound 5 has been corrected and is shown here:

5

We apologise for any inconvenience or embarrassment caused.
