All manuscripts and contributions should be submitted to either G. P. BOLWELL at Surrey, N. G. LEWIS at Pullman or D. STRACK at Halle. Authors are requested to consult the 'Instructions to Authors' and the 'Aims and Scope' of the journal (see inside back cover). The latest Instructions are published in Vol. 63, No. 1. Copies of these Instructions are also available from the internet <http://www.elsevier.com/locate/Phytochem> under 'Guide for Authors', or from the Regional Editorial offices. Review articles are welcome, but intending Authors should send an outline to the Regional Editor before preparing their manuscripts. Books for review should be sent to G. P. BOLWELL.

This journal has been designated an official organ of 'The Phytochemical Society of Europe' and 'The Phytochemical Society of North America' and Society announcements will appear at regular intervals. Reduced subscription rates are available to members of both Societies (details available from Society offices).

Publication information: *Phytochemistry* (ISSN 0031-9422). For 2003, volumes 62-64 are scheduled for publication. Subscription prices are available upon request from the Publisher or from the Regional Sales Office nearest you or from this journal's website (<http://www.elsevier.com/locate/phytochemistry>). Further information is available on this journal and other Elsevier products through Elsevier's website: (<http://www.elsevier.com>). Subscriptions are accepted on a prepaid basis only and are entered on a calendar year basis. Issues are sent by standard mail (surface within Europe, air delivery outside Europe). Priority rates are available upon request. Claims for missing issues should be made within six months of the date of dispatch.

Author enquiries: For enquiries relating to the submission of articles (including electronic submission where available) please visit the Author Gateway from Elsevier at <http://authors.elsevier.com>. The Author Gateway also provides the facility to track accepted articles and set up e-mail alerts to inform you of when an article's status has changed, as well as detailed artwork guidelines, copyright information, frequently asked questions and more. Contact details for questions arising after acceptance of an article, especially those relating to proofs, are provided when an article is accepted for publication.
