CONFERENCE	DATE	VENUE	FOR FURTHER INFORMATION CONTACT
Chemistry and Properties of Polymeric Materials	2–4 <i>October</i> 1981	<i>Montreal, Canada</i>	2nd World Congress Secretariat, 151 Slater Street, Suite 906, Ottawa, Ontario, Canada K1P 5H3
2nd World Congress of Chemical Engineering	4–9 <i>October</i> 1981	<i>Ontario, Canada</i>	Congress Secretariat, 2nd World Congress of Chemical Engineering, 151 Slater Street, Suite 90, Ottawa, Ontario, Canada K1P 5H3
ACS Meeting	13–16 <i>October</i> 1981	<i>Cleveland, USA</i>	Dr R. M. Ikeda, E I Dupont de Nemours & Co. Experimental Station, Wilmington, DE19898, USA
120th Rubber Division Inc. Meeting	13–16 <i>October</i> 1981	<i>Cleveland, USA</i>	M. E. Bauer, Rubber Division Inc., University of Akron, Akron, Ohio 44325, USA
International Symposium on Mechanical Properties of Crystalline Polymers	13–17 <i>October</i> 1981	<i>Massachusetts, USA</i>	E. E. Magat, Polymer Science and Engineering Dept., University of Massachusetts, Amherst, Mass 01003 USA
10th Biennial Polymer Symposium	21–26 <i>November</i> 1981	<i>Palm Springs, USA</i>	W. J. Bailey, Department of Chemistry, University of Maryland, College Park, Maryland 20742, USA
Surfaces and Interfaces in Polymers	23–25 <i>November</i> 1981	<i>Mulhouse, France</i>	M. A. Vidal, Centre de Recherches sur la Psychochimie des Surfaces Solides, 24, avenue du President Kennedy, 68200 Mulhouse, France
Thermal and Mechanical Properties of Polymers	6–7 <i>January</i> 1982	<i>Birmingham, UK</i>	Dr J. N. Hay, Department of Chemistry, University of Birmingham, Birmingham B15 2TT
ACS Meeting	28 <i>March</i> –2 <i>April</i> 1982	<i>Las Vegas, USA</i>	Dr R. M. Ikeda, E I Dupont de Nemours & Co Experimental Station, Wilmington, DE19898, USA
International Symposium on Polymer Additives	29 <i>March</i> – 2 <i>April</i> 1982	<i>Las Vegas, USA</i>	J. E. Kresta, Symposium Chairman, Polymer Institute, University of Detroit, 4001 W. McNichols Rd., Detroit, Michigan 48221, USA
The Potential for Innovation in Polymers	6–7 <i>April</i> 1982	<i>Manchester, UK</i>	Professor F. D. Hartley, Department of Polymer and Fibre Science, UMIST, PO Box 88, Manchester M60 1QD, UK
