This article may be used for research, teaching and private study purposes. Any substantial or systematic reproduction, re-distribution, re-selling, loan or sub-licensing, systematic supply or distribution in any form to anyone is expressly forbidden.

The publisher does not give any warranty express or implied or make any representation that the contents will be complete or accurate or up to date. The accuracy of any instructions, formulae and drug doses should be independently verified with primary sources. The publisher shall not be liable for any loss, actions, claims, proceedings, demand or costs or damages whatsoever or howsoever caused arising directly or indirectly in connection with or arising out of the use of this material.

E R R A T U M

E.J. Kikta: Development and Practical Use of a High Performance Preparative Liquid Chromatography System, Sep. Purif. Methods 13, 109-139 (1984).

Due to a printing error, one page of this article, commencing on page 135, line 10 and ending on page 136, line 19, is a repetition of the page preceding it (page 134, line 12 through page 135, line 9). Readers may want to indicate on their copy that page 135, line 10 through page 136, line 19, should be deleted.
