CORRIGIENDA

(Vol. 9, No. 9, Special Issue)

p. 575-614: R. Claus: ASPECTS ON APPLICATIONS OF IR REFLECTIVITY- AND RAMAN SCATTERING-EXPERIMENTS ON POLARITONS IN SOLID STATE CHEMISTRY AND BIOPHYSICS

- Due to the fact that "Lehrstuhl" is not a German first name, L. J. Brandmüller should not be cited as co-author.

p. 640: J. H. Nicola, N. H. Rutt and F. P. Livi: A POLARITON EXPERIMENTAL ARRANGEMENT

- The term "rangescalerreloads" should read "range scaler reloads"; the regrettable juxtaposition was created in the editing process.

p. 641-651: C. P. Keszthelyi: CHEMISTRY IN LASERS. XI. NON-CLASSICAL ASPECTS OF FUSION: THE ZHABOTINSKY EFFECT AND COMMUNICATIONS THEORY.

- On p. 641 the term "acousto-opic" should be replaced by "acousto-optic".
- On p. 649 the last line is an apparent printers' carry over from p. 642 (line 2), and should be crossed out and disregarded.
- On the back cover page the term "IR Reflexivity" should read "IR Reflectivity", to conform to the article's title.
