The authors regret that the paper published by Z. Gyorgydeak, W. Holzer and J. Thiem in *Carbohydrate Research* **1997**, 302, 229–235, was not cited in the above paper. In fact, Gyorgydeak, Holzer and Thiem reported the first synthesis of triazoles through cyclization reac-

tions of *N*-(glycopyranosylamino)guanidines. We apologise to Drs. Z. Gyorgydeak, W. Holzer and J. Thiem for failing to mention their work due to our negligent or inefficient literature search.
