

ERRATA

C. L. OSBORN, D. J. TRECKER, A. PADWA, W. KOEHN and J. MASARACCHIA: The thermal dimerization of cis, trans-1,3-cyclooctadiene.

Tetrahedron Letters, No. 53, pp. 4653-4656 (1970)

p. 4653 The amended structure for compound 6 is as follows:-

W. P. WEBER and R. LAINE: 4,4-Dimethylsilacyclohexadien-1-one.

Tetrahedron Letters, No. 48, pp. 4169-4172 (1970)

A typographical error occurred in the position of $n \rightarrow \pi^*$ maxima reported in ethanol solvent. It should be at 3540 Å, not 3440 Å as reported. This error had the further consequence that it lead to an error in the wavelength scale in the u.v. spectra reported. The scale should be moved appropriately to the right
