

## Corrigendum

**Corrigendum to “A one-step synthesis of  
tetrahydropyranopyranones from carbonyl compounds”  
[Tetrahedron Letters 42 (2001) 4585–4587]<sup>†</sup>**Alan Armstrong,<sup>a,\*</sup> Fred W. Goldberg<sup>a</sup> and David A. Sandham<sup>b</sup><sup>a</sup>*Department of Chemistry, Imperial College of Science, Technology and Medicine, London SW 7 2AY, UK*<sup>b</sup>*Novartis Horsham Research Centre, Wimblehurst Road, Horsham, W. Sussex RH12 5AB, UK*

Received 20 April 2001; accepted 11 May 2001

The synthesis of simpler, monocyclic dihydropyrones using the same strategy has been reported previously: Dugger, R. W.; Heathcock, C. H. *J. Org. Chem.* **1980**, *45*, 1181–1185. We thank Dr. C. Fehr (Firmenich) for bringing this paper to our attention.
