

# CORRIGENDUM

James F. Callahan, Kenneth A. Newlander, Joelle L. Burgess, Drake S. Eggleston, Andrew Nichols, Angela Wong and William F. Huffman, The use of  $\gamma$ -turn mimetics to define peptide secondary structure, *Tetrahedron* 1993, 49, 3479-3488.

The authors regret that Figure 2 in the above article was erroneously printed twice as Figure 2 and Figure 3. The correct Figure 3 is given below:

Figure 3
