

CORRIGENDUM

PII: S0040-4020(97)10055-2

Mototsugu Kabeya, Yasumasa Hamada and Takayuki Shioiri, Synthesis of γ -lactone derivatives as a key intermediate for the spiroketal fragment in calyculin A, *Tetrahedron*, **1997**, 53, 9769–9776, PII: S0040-4020(97)00624-8.

The following text is added after reference 12, on page 9776, of the above article. The synthetic route to the α , β -unsaturated ester **7** was analogous to that already reported. See (a) Handa, S.; Hawes, J. E.; Pryce, R. J. *Synth. Commun.* **1995**, 25, 2837; (b) Gibson, C. L.; Handa, S. *Tetrahedron: Asymmetry*, **1996**, 7, 1281.
