

Announcing the International Conference

**Bioavailability
'93**

Nutritional, Chemical and Food Processing
Implications of Nutrient Availability

**Ettlingen, FRG
9-12 May 1993**

This international conference is being organized by the
Federal Research Centre for Nutrition, Karlsruhe, FRG.

The Conference will be held in the historic Castle of Ettlingen, 3 km from
Karlsruhe, Federal Republic of Germany.

This symposium will be of interest to scientists from the fields of nutrition,
biomedical science, food chemistry and food technology. It will be a follow-
up conference to "Bioavailability '88, Chemical and Biological Aspects of
Nutrient Availability," held in 1988 in Norwich, UK

Deadline for submissions of abstracts is October 1, 1992.
