

Correction

regarding the paper effect of Gibberellic Acid Treatment, and Nutrient Supply through Detached Tillers, upon Haploid Frequency in Barley. Kasha, K.J., Subrahmanyam, N.C. Ali, A. Theor. Appl. Genet. **51**, 169-175 (1978).

The units of GA₃ used throughout the text and Tables should read mg/l, and not ug/l.
