

## ERRATA TO “LINEAR SPACES WITH AN $H^*$ -ALGEBRA-VALUED INNER PRODUCT”

BY

PARFENY P. SAWOROTNOW

I. Page 546: The first line in the statement of Theorem 2 should read as follows:

THEOREM 2. *For each continuous  $H$ -valued stationary process, . . .*

II. Page 547: Line 14 from the bottom (item (5) in Theorem 3):  $(fa^*, f) \geq 0$   
(instead of  $(fa^*, f) \geq 0$ ).
