

Warning Order:

There is no change in our existing task organization.

SITUATION:

Enemy Forces: Our battalion scouts have confirmed an insurgent platoon-sized unit occupying the village of Urket. The threat risk is high due to the enemy being equipped with both automatic weapons and rifle propelled grenades (RPG).

Friendly Forces: 1-25 Infantry attacks 072130Mar06 with three companies in sector to secure objectives Wolf (the government building), Fox (the mosque) and Badger (the railroad station).

MISSION:

Company C, our unit, will attack in the center on Axis Scorpion, to secure Objective Badger, the railroad station at 072130Mar06. We are to destroy enemy forces occupying the objective and secure any ammunition and weapons cache sites. See the overlay for the concept of the operation.

EXECUTION:

Company C, our unit, will attack in the center on Axis Scorpion, to secure Objective Badger, the railroad station at 072130Mar06.

Fires:

There will be a 5 minute artillery prep on the objective.

ADMIN & LOGISTICS:

Platoon and squad leaders ensure that all personnel have adequate ammunition and water.

SIGNAL:

No change.

Additional orders or updates will follow.
