

# UNITED STATES PATENT OFFICE.

GEORGE B. BIELER, M. D., OF CINCINNATI, OHIO.

## IMPROVED MEDICAL COMPOUND.

Specification forming part of Letters Patent No. **51,914**, dated January 9, 1866.

*To all whom it may concern.*

Be it known that I, GEORGE B. BIELER, of Cincinnati, Hamilton county, and State of Ohio, have invented a new and useful compound called "Preservation of Ladies' Stomachique Incomparable;" and I do hereby declare the following to be a full and clear description of the same, reference being had to the accompanying ingredients.

One dram sweet flag; one and one-quarter dram peppermint; one and one-quarter dram caraway; one and one-quarter dram thyme; one and one-quarter dram wild marjoram-flower (vulgar); one and one-quarter dram vanilla; two and one-quarter drams peony; one and one-quarter dram cinnamon; one dram cloves; three-quarters dram nutmeg; one and one-quarter

ter dram aloes; one-quarter dram saffron; one and one-half dram bark-orange; one and one-half dram balsam-buds; one and one-half dram bitartrate of potash. The above quantities are to be distilled with three-quarters of a gallon of alcohol 21° aerometer, (spirit-proof.) Put the quantity of white-sugar sirup in proportion to suit.

Having thus described my invention, what I claim, and desire to secure by Letters Patent, is—

The compound of ingredients for purposes as specified.

GEORGE B. BIELER.
