c. The following named individuals are on a roster held by this office of former US-held prisoners of war of Austrian nationality. Files are no longer maintained on these individuals, since, at the conclusion of the treaty between the U. S. Government and the Austrian Government, and in accordance with the Geneva Convention of 1929, the files of all former prisoners of war of Austrian nationality were offered to that government. The Austrian Government did not desire the files and authorized their destruction. These files have therefore been destroyed, and it is impossible for a check to be made of birthdates or other information.
