MEMORANDUM

To: LS - Mr. Ernest A. Gross

Subject: Proposed National Security Council Intelligence Directives.

I would like you to know that the memorandum prepared by Messrs Tate and Gray with respect to the proposed National Security Council Intelligence Directives proved extremely helpful in the resolution of the controversial points at the meeting held for that purpose yesterday at the Central Intelligence Agency. I am very appreciative of the dispatch with which your office handled this matter on unusually short notice.

W. Park Armstrong, Jr.
